ROUTING SLIP

Assistant Director of
Operations, 402 1717 H

001 24 1958

George:

Forwarded for your information is a memorandum
from the Office of Logistics concerning the mix-up
of [REDACTED] physical examination.

25X1A9a

What happened here is that in relaying instructions
through so many offices, [REDACTED] evidently ended up with
instructions which were contrary to the ones originally
outlined by the Medical Staff.

25X1A9a

I am sorry this happened and assure you that steps
have been taken so that there will be no recurrence.

We would appreciate it if you would go ahead and
pay the bill, and if at the end of the year you end up
\$49.00 short, please let me know and we will dig the
money up some place.
